

KEY FACTS

SINGLE FAMILY OFFICE SCHEMES

SINGAPORE HAS A NUMBER OF TAX INCENTIVE SCHEMES AVAILABLE, WHICH ARE DESIGNED TO ENCOURAGE ULTRA-HIGH-NET-WORTH FAMILIES TO SET UP SINGLE FAMILY OFFICES AND FAMILY-OWNED FUND VEHICLES IN SINGAPORE. THESE SCHEMES PROVIDE A FRAMEWORK AND CONDUCIVE TAX ENVIRONMENT FOR SINGAPORE-BASED FUND MANAGERS TO SET UP AND GROW.

TAXATION OF COMPANIES

Taxation of corporate income in Singapore is assessed on a territorial and remittance basis where income accrued in or derived from Singapore, and income derived overseas but received in Singapore is subject to tax.

The corporate income tax rate is a flat 17%.

TAXATION INCENTIVE SCHEMES¹

Sections 13O and 13U provide a tax exemption to the usual corporate income tax rate. The exemption applies to specified income generated by the approved fund from designated investments.

The exemption granted is for the lifetime of the fund, provided that the fund continues to meet the qualifying criteria. This therefore provides both tax efficiencies and certainty on tax treatment for the long term.

Section 13O: Onshore Fund Tax Incentive Scheme

- > Intended for funds managed onshore in Singapore, through a Singapore tax resident corporate vehicle
- > Application to the Monetary Authority of Singapore (MAS) and their subsequent approval is required

Section 13U: Enhanced Tier Tax Incentive Scheme

- > Both onshore and offshore funds may apply for 13U and it is available to a broad range of fund structures
- > Application to the MAS and their subsequent approval is required
